Phone: 724-368-8230

Fax: 724-368-0111

The demolition of structures in Perry Township, Lawrence County will be regulated as follows:

- 1. If the structure is non-residential and the size is less than 1000 square feet:**
 - a. The property owner is required to complete a demolition permit form.
 - b. Submit a \$10.00 inspection fee payable to Perry Township.
 - c. Upon which the Building Permit Officer shall inspect the structure and if satisfied the structure qualifies as non-residential and less than 1000 square feet, will issue a permit to commence demolition.

- 2. In the event that the structure is residential, commercial, and/or more than 1000 square feet:**
 - a. The property owner is required to complete a demolition permit form, which shall be submitted to the Perry Township Code Enforcement Officer for review and action/enforcement.
 - b. The Code Enforcement Officer will review the demolition permit and structure.
 - c. The instructions and amount due will be set by the Code Enforcement Officer.
 - d. The Township Secretary will notify the owner of the fees due and after payment is received by the township, the instructions will be given to the owner and demolition may commence under guidance of the Code Enforcement Officer.
