Several complaints including a communication from DEP was discussed about 500 River Road. There is a camper with an add-on that is discharging sewage over the hillside, and the property has trash thrown over the hillside toward the creek. No building permit was ever received for the camper or addition. DEP wants it investigated. Following discussion, the township SEO is to check on the sewage situation first. Then a letter is to be sent concerning the violation of the building permit process and sewage violations.

The SEO is to continue following the compliance of the Frank property on N. Camp Run Road. The Watt and Kopnitsky property owners are to be sent another letter about clean-up of their properties on Bauder Mill Road. The Martha Miller property on Hickernell Road was discussed and the secretary or solicitor is to send another letter since the trailer has tree damage.

District 11-0, Johnny Balay received a complaint about speeding on 488 by the school and wants to do a full out study at no cost to the township – speed, sign placement, crash history. If signs needs moved/placed it will be at the township expense. Following discussion, it was agreed to approve the study. The state police are to be notified if it is completed.

Zias motioned and Radich second to adjourn. Motion passed.

These minutes are duly presented by Janice Marshall.
